Welcome to

GO BEYOND MELBOURNE

Melbourne is a magical city. But Go Beyond Melbourne and you'll discover the pure alchemy of four extraordinary regions. Travelling between them is simply effortless – and what you discover along the way will stay with you forever.

A WORLD OF CONTRASTS

The Yarra Valley and the Dandenong Ranges, Phillip Island, the Mornington Peninsula, Geelong and The Bellarine. Four very different regions, four totally different experiences, which you'll only fully discover when you spend a few days beyond the city.

You can travel effortlessly from mist-wreathed mountain forests to perfect white sandy bays in just 90 minutes. From floating over Yarra Valley vineyards in a hot air balloon at dawn to watching Phillip Island's penguins waddle up the beach that evening.

From riding the 100-year old Puffing Billy train through the Dandenongs or searching for platypus at Healesville Sanctuary, to go-karting a scale replica Grand Prix Circuit or a lantern-lit wildlife tour – in the same day, without missing a beat.

Explore historic villages on the Mornington Peninsula, then cruise by ferry across Port Phillip Bay to Queenscliff and explore the Bellarine Taste Trail. The next day, join Sea All Dolphin Swims for a close encounter with marine life or take a delicious gastronomic journey aboard the Q Train.

No wasting time returning to the city in peak hour traffic each night. Simply motor on to your next destination (in about 90 minutes) and relax in accommodation you simply can't experience in the city: vineyard estates, historic mansions, peaceful country retreats, luxury seaside apartments, romantic B&Bs.

INSPIRATION, TOOLS, ITINERARIES

We're here to help plan an itinerary that perfectly suits every lifestyle: food and wine indulgences, family fun, romantic and wildlife. You'll find inspiring, customised itineraries in this manual.

Within each itinerary are activities to surprise and delight: get up at dawn for wildlife spotting or hot air ballooning, take an evening lantern-lit tour of rare and endangered species, or star gaze from a thermal pool.

TOP TIPS FOR ITINERARY PLANNING

Some sights are only seen in the early morning, early evening or at night. So you may be best to make a really early start on some days, to catch wildlife feeding in its natural habitat, go hot air ballooning or watch sunrise over breakfast.

When the sun is going down, you could take a sunset champagne cruise, watch the famous little penguins on Phillip Island, or stargaze from a naturally heated mineral water pool.

EARLY MORNING

If you're up with birds each morning, you're also up with a lot of other native wildlife, such as kangaroos, wallabies, wombats and echidnas.

Best spots to watch them include: Greens Bush on the Mornington Peninsula, the You Yangs Precinct on the Bellarine Peninsula and the Eastern Sherbrooke Forest Walk in the Dandenongs for the beautiful but elusive lyre birds.

Early morning is also THE time to go hot air ballooning in the Yarra Valley, drifting over vineyards and farmlands at dawn before a champagne breakfast.

If you're on the Mornington Peninsula or the Bellarine Peninsula, early morning is the perfect time to take a dolphin cruise.

LATE AFTERNOON AND EVENING

Head for the peaceful Yarra River banks at Warburton to spot native platypus playing in the river in the late afternoon.

In the evening there's the celebrated Penguin Parade on Phillip Island, when hundreds of little penguins waddle from the sea to their burrows. From mid-April to early

May 300,000 shearwater chicks make a spectacular sunset departure to fly 16,000 km from Phillip Island to feed near Alaska in the northern summer.

Also on Phillip Island, Wildlife Coast Cruises have leisurely twilight bay cruises through the sheltered waters of Western Port Bay. Sip a drink from the bar and watch the towns light up around the bay as the sun sets. At the Mornington Peninsula's Moonlit Sanctuary, lantern-lit tours revealing rare and endangered nocturnal species give a whole new meaning to nightlife.

And if you're up in the Dandenong Ranges, take a dinner excursion on the vintage Puffing Billy train, then head for Mt Dandenong and the extraordinary views of Melbourne's night lights.

Near Geelong, The Q Train makes delicious dinner trips with local produce featuring on the menu.

STARGAZING

No city lights, just pure, clear country air and a vast canopy of stars in the southern skies. Lie back in the naturally heated mineral water pools at Peninsula Hot Springs or Alba Thermal Springs on the Mornington Peninsula and look for shooting stars; walk under the star-studded sky at Cowes, Newhaven, Rhyll or San Remo on Phillip Island.

On the Bellarine Peninsula, head right to the end of Point Lonsdale Jetty, to The Bluff at Barwon Heads or the hills around Portarlington for stargazing.

WE'RE HERE TO HELP

Go Beyond Melbourne (GBM) is a new touring partnership created to provide inspiration and tools for planning a multi-day tour around four extraordinary regions – each within 90 minutes of Melbourne.

GBM will help you create inspiring and memorable journeys to take your visitors beyond the city centre on a personalised road trip. Just check the customised itineraries starting on page 26.

1. Alba Thermal Springs & Spa, Mornington Peninsula
2. Wildlife Coast Cruises, Phillip Island
3. Penguin Parade, Phillip Island

YARRA VALLEY & DANDENONG RANGES

In the Yarra Valley & Dandenong Ranges, spend daybreak hot air balloon gliding over mist-tinged vineyards, then ride a heritage train through lush fern-filled forests or get close-up to native creatures at Healesville Sanctuary. Round out the stay with cellar door drop-ins at some of Australia's most famous wineries before heading to a romantic luxury retreat for the night.

PHILLIP ISLAND

On Phillip Island, thrill to world class motorsport action, breakfast at seaside village cafés and cruise out to Seal Rocks for a fur seal meet-up. Amble a coastal nature walk then get centre stage for the nightly show, when the little penguins splash out of the sea and waddle up the beach to their burrows.

MORNINGTON PENINSULA

Mornington Peninsula is a land of abundance; of farmgate trails, cellar doors and chef's hatted restaurants. Of bubbling thermal hot springs and lantern-lit after-dark wildlife adventures. Dive with the dolphins, swim with the seals and golf like no one's watching. Follow the wine, food and farmgate trail then settle into a seaside apartment and drift off to a natural sound of the crashing waves.

GEELONG & THE BELLARINE

In Geelong & The Bellarine, do a twirl on an 1890s carousel and promenade along Geelong's glittering waterfront built for the ages. Gather the family for a rockpool ramble on a Bellarine beach, then visit the National Wool Museum and learn about the Geelong region's wool story. Head north to the You Yangs Regional Park for bushwalking, magnificent views and Australian native wildlife spotting. Board a refurbished dining car for a déjournement rail journey between Drysdale and Queenscliff.

Shh...it's a secret. Beautiful places to stay when you explore and Go Beyond Melbourne

The very best holidays are made of three ingredients: the places you stay in, the people you meet and all the experiences that take your breath away every day.

Big cities are great for 5-star hotel experiences, but to find that unique accommodation which suddenly becomes an amazing experience in itself, you really need to leave the cities behind.

And when you Go Beyond Melbourne, there are some extraordinary places to stay within an hour or so of the city.

Places where you can go 'glamping' in the country, immersed in native forests with a choir of glorious birdsong, and fine wineries just an easy walk away.

Then there is the beautifully restored historic guesthouse, now a B&B, on an island just metres from the beach. Or another where you stay in a villa, collect your own eggs for breakfast then perhaps wander some of property's wildlife trails.

And the country retreat that's right on the famous Yarra River, complete with a private nature reserve, hundreds of native animals and platypus playing in the river. Or 5-star country style, where grand estates are reminiscent of the best of the English countryside.

So what are you waiting for?

1. Yering Gorge Cottages, Yarra Valley & Dandenong Ranges
2. InterContinental Sorrento, Mornington Peninsula
3. Iluka Group Retreat & Glamping Village, Mornington Peninsula
