ROMANTIC INDULGENCE

5 Day Itinerary

Love is in the air when you go beyond Melbourne for the most romantic interlude. You'll find it in perfumed, glorious gardens. In the freshest sea air on white sand beaches. In the fragrance of log fires in your luxury escape. Come and indulge all your senses in shared adventures, romantic vineyard dinners, forest walks, perfect sunsets.

LINKING FOUR
EXTRAORDINARY
REGIONS

REAL ROMANCE REVEALED

The most romantic interludes come with beautiful settings and gorgeous scenery, with dreamy retreats, intimate restaurants, cosy cellar doors. And the great outdoors, where there's space and peace to wander for hours, just the two of you.

And romantic adventures tempt you...hot air ballooning with a champagne breakfast, diving with dolphins and playful fur seals, taking a helicopter flight over Phillip Island, famed for its nightly penguin parade. Then naturally heated hot springs and day spas invite you to bliss out together.

It's all so easy when you Go Beyond Melbourne and discover the romance and magic of four fabulous regions.

They are the Yarra Valley and Dandenong Ranges, Phillip Island, Mornington Peninsula, Geelong and the Bellarine. All full of romantic promise and precious memories when you spend a few days beyond the city.

You can choose your route - from Melbourne to Geelong, Mornington Peninsula, Phillip Island, then the Yarra Valley. Or you can head for the Yarra Valley, and do the circuit in reverse. Either way, five days is all it takes to put the stars in your eyes.

HEART-TO-HEART EXPERIENCES

Romance sometimes means very different things to different people.

So the two of you might love food and wine, perhaps with a gin or boutique ale tasting on the side? We'll tick all those boxes, with cellar doors in all four regions, famous names in Chardonnay and Pinot Noir, internationally award-winning gin and creative handcrafted ales.

You could spend your entire trip doing nothing but dining in fine country and winery restaurants, sampling at boutique farms and producers, exploring kitchen gardens, taking a farm tour or a cooking class, and dining aboard a century-old steam train.

If adventure gets your hearts beating, just sign up right here! Dawn hot air ballooning over the Yarra Valley vineyards, a hot lap on a Grand Prix circuit, a cruise to one of Australia's largest fur seal colonies or tree surfing on radical high ropes. Or don snorkelling gear and dive right into it on the Mornington Peninsula or Bellarine Peninsula, swimming with seals and diving with dolphins.

MORE LUXE AND LAID BACK

Is your heart's desire more luxe and laid back? Then book a private pool at the Mornington Peninsula's internationally award-winning hot springs, spend the day luxuriating at a spa, reserve your table for a fine dining experience at some of the regions' superb restaurants.

If fresh country or sea air is your best friend, you'll find it on forest walks, deserted beaches, golf courses and gorgeous gardens. Then there are grand estates, Geelong's whimsical Bollard Trail, historic villages and wildlife reserves.

Come evening, you may choose to snuggle up in a gracious 5-star country hotel, self-contained cottage, go glamping, stay right beside the beach or hide away in a luxury lake-side retreat. Come on, write your own love letter.
