## FOOD & WINE

### 5 Day Itinerary

If there's one place in Australia you should visit for extraordinary gastronomic experiences, this is it. Internationally award-winning wines, chef's hat restaurants featuring local produce from land and sea, culinary masterclasses, meet the makers, u-pick orchards. Stay on a vineyard, a luxury B&B, a lakeside retreat for even more gourmet adventures.

LINKING FOUR EXTRAORDINARY REGIONS

### FROM ESPRESSO TO NIGHTCAPS

Planning your day is rather like browsing the mouth-watering menu of an excellent restaurant.

Start with breakfast and superb locally roasted coffee at a village café, perhaps overlooking the beach or out in the country. Visit a boutique farm, take a tour, a cooking class, buy local produce for a picnic or for dinner in your apartment. Choose a winery restaurant for lunch, book a wine tasting masterclass. Head for a distillery tasting and learn some creative new cocktail recipes, a brewery for hand-crafted beer or a cider house.

Choose accommodation where fine food and wine is part of the whole experience...an historic hotel, a lakeside retreat

with casual and formal dining or a luxury apartment where you can prepare dinner from the day's local produce and relax over a whisky nightcap from a local distillery.

Just Go Beyond Melbourne and discover the extraordinary foodscapes of four adjoining regions.

They are the Yarra Valley and Dandenong Ranges, Phillip Island, Mornington Peninsula, Geelong and the Bellarine. All full of gourmet adventures that you simply can't find in the city.

You can choose your route - from Melbourne to Geelong, Mornington Peninsula, Phillip Island, then the Yarra Valley. Or you can head for the Yarra Valley, and do the circuit in reverse.

## TANTALISING TASTE TRAILS

It doesn't matter where your particular gourmet passions lie - we've got them covered. There are tantalising taste trails in the Yarra Valley, Mornington Peninsula and Bellarine Peninsula. And we've hand-picked a selection of Phillip Island's gourmet treats too.

If you're a keen cook or have green thumbs, you'll find plenty of options for learning more from local chefs, and from local producers about growing your own fruit and vegetables. For example, there's an edible forest in the Yarra Valley which offers a hosted 'tour and taste' experience with over 350 species of edible and medicinal plants. On an orchard tour, ask questions about the 450 varieties of fruit.

The Mornington Peninsula has the Wine Food and Farmgate trail and a boutique farm offering tours and farm picnics. The Bellarine Taste Trail and the Moorabool Valley Taste Trails take in more than 50 makers, producers, wineries and brewers. All these trails offer dozens of opportunities to taste and learn more about wine, cider, beer and distilling craft gin, rum and whisky.

## DOWNRIGHT DECADENT

You'll find some extra special treats too, such as a chocolate factory on Phillip Island where you can create your own edible masterpiece.

But if you just want to sit back in beautiful restaurants for lunch and dinner, this is itinerary planning made simple. Spectacular wineries offer tastings and casual and formal dining, while restaurants reveal extraordinary views of deserted coastlines and rolling green hills. Some wineries feature magnificent sculpture gardens and several wineries are included in the Ultimate Winery Experiences of Australia's portfolio.

You can stay overnight at gourmet retreats with day spas, book a self-contained villa, sleep surrounded by picture-perfect gardens and vineyards or stay seaside.

1. InterContinental Sorrento, Mornington Peninsula  
 2. Food & Wine, Yarra Valley & Dandenong Ranges  
 3. The Nobbies Centre Café, Phillip Island  
 4. Jack Rabbit Vineyard, Geelong & The Bellarine
